

Medek
Health Systems

About Us

As the parent company and founder of SafePass, we have pioneered the way in several other industry-changing software. We are always a leader in innovating ideas.

- Founded in 2008
- Medek Telemedicine
- Medek RPM
- Medek COVID-19 Test Kits

OSHA Vaccine & Testing Mandate

The recent mandate applies to companies nationwide with more than 100 employees. A vaccination & testing policy is being promoted to help prevent further spread.

- Antigen tests must be observed by a telehealth provider or employer
- Require at least weekly testing for each employee
- Must maintain records of each test result provided by the employee
- Records must be maintained as long as the ETS remains in effect.
- Report each work-related COVID-19 fatality to OSHA within 8 hours of the employer learning
- Report each work-related COVID-19 in-patient hospitalization within 24 hours

What is Medek's COVID-19 Compliance Package?

With the SafePass Complete Compliance Package, you can ensure that your company, coworkers & employees are compliant with the new OSHA COVID-19 Vaccine & Testing mandate.

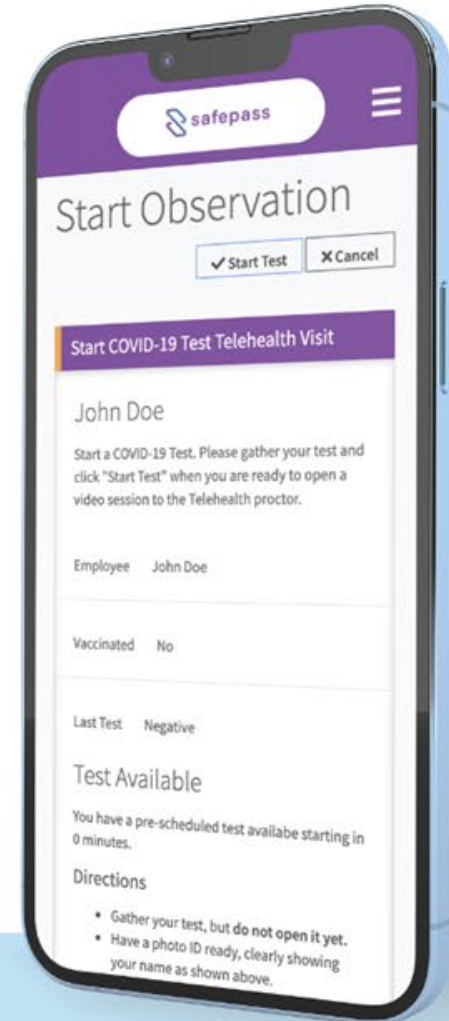

- Automated COVID-19 Test Kit Subscription
- SafePass: a fully automated OSHA Compliance Software (**free to test kit customers**)
- Remote Telehealth Observation for COVID-19 Testing for only \$10

Why MedekHealth's Complete Compliance Package?

MedekHealth, an industry leader, is ahead of the curve compared to its peers. We foresaw that COVID-19 was not only going to affect the way we live our lives but as well the way we do business.

We have been perfecting and building a network since the beginning of the pandemic to answer the call for help from businesses nationwide. We have all the necessary tools to help you get back to normal.

Admin Portal - Employees

- 1 Employee management: you can add new employees, import from a spreadsheet, or export as a
- 2 Filters can be applied for information that is more relevant be found more easily
- 3 Table displaying a complete list of all employees and their respective vaccination, test, and compliance information

The screenshot shows the 'Employees' management interface. At the top, there's a purple header with the 'safepass' logo and a hamburger menu icon. Below the header, the page title 'Employees' is centered. To the left of the main content is a sidebar with navigation options: Dashboard, Managers, Employees (highlighted), COVID-19 Test Results, Plan Settings, My Settings, and Logout. Above the table, there are three buttons: '+ New Employee', 'Import Employees', and 'Export Employees'. The table itself has a search bar labeled 'Search by Employee' and a dropdown menu for filters. The table columns are: Employee ID, First Name, Last Name, Vaccinated, Compliant, Last Test, and Next Test. The table contains several rows of data, with a '3' callout pointing to one of the rows. At the bottom of the table, it says 'Now showing 1 - 17 of 17'. Below the table, there are the same three buttons: '+ New Employee', 'Import Employees', and 'Export Employees'.

SafePass Manager Portal Features

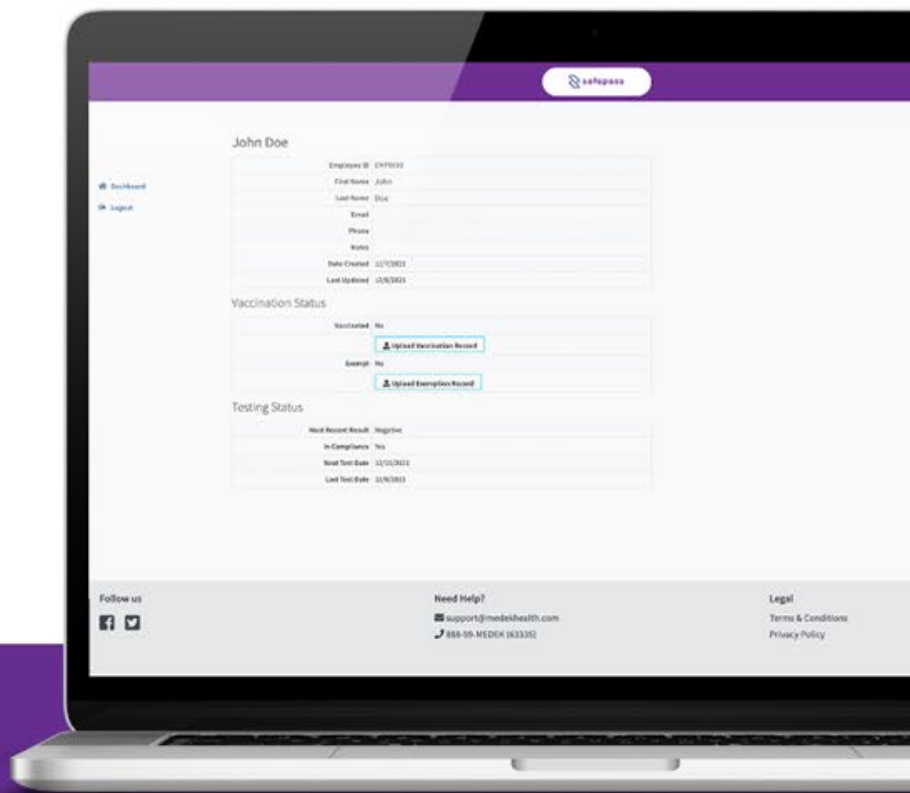

- COVID-19 Test result export
- 24/7/365 test proctoring
- Employee research filter
- Manager filtration
- Friendly portal dashboard
- Live results with added alerts

Employee Portal

- Employees can access SafePass on their computer or phone (iOS and Android)
- Upload a proof of vaccination by taking a picture of their vaccination card
- Request a Medical or Religious Exemption
- Employee Access Card
 - Can be used to approve or deny access to areas
 - Quickly shows their compliance
- Next test date
- Take an observed test remotely

Employee Portal - Dashboard

- 1 General employee information. This information can only be altered in the Admin Portal
- 2 Vaccination and exemption status is displayed, and proof of either can be uploaded
- 3 Testing status, updated regularly as tests take place using the platform

The screenshot displays the 'safepass' Employee Portal Dashboard. The interface is clean and modern, with a purple header bar. On the left, there is a navigation menu with 'Dashboard' and 'Logout' options. The main content area is divided into three sections, each highlighted with a numbered callout:

- 1 Employee Information:** A form with fields for Employee ID, First Name, Last Name, Email, Phone, Notes, Date Created, and Last Updated.
- 2 Vaccination Status:** A section with 'Vaccinated: No' and 'Exempt: No' status indicators. Below each status is an 'Upload' button with a document icon: 'Upload Vaccination Record' and 'Upload Exemption Record'.
- 3 Testing Status:** A section with fields for 'Most Recent Result: Negative', 'In Compliance: Yes', 'Next Test Date: 12/15/2021', and 'Last Test Date: 12/8/2021'.

The footer contains three columns of information: 'Follow us' with social media icons for Facebook and Twitter; 'Need Help?' with contact details 'support@medekhealth.com' and '888-99-MEDEK (633335)'; and 'Legal' with links for 'Terms & Conditions' and 'Privacy Policy'. A small copyright notice 'Medek Administrator (v) 1.0.0 © 2021 Medek' is visible in the bottom right corner.

Employee Portal - Dashboard

- 1 Before the observation takes place, the employee will have his information displayed for verification
- 2 Instructions on how to start the observation is also displayed in order to avoid confusion

The screenshot shows the 'Start Observation' page in the Safepass Employee Portal. The page is titled 'Start Observation' and 'Start COVID-19 Test Telehealth Visit'. It features a sidebar with 'Dashboard' and 'Logout' links. The main content area includes a '1' in a blue circle next to input fields for 'Employee', 'Vaccinated', and 'Last Test'. Below this is a '2' in a blue circle next to a 'Test Available' section with detailed directions and instructions. At the bottom of the main content area are 'Start Test' and 'Cancel' buttons. The footer contains social media links, contact information, and legal links.

Start COVID-19 Test Telehealth Visit

Start a COVID-19 Test. Please gather your test and click "Start Test" when you are ready to open a video session to the Telehealth provider.

1 Employee

Vaccinated

Last Test

2 Test Available

You have a pre-scheduled test available starting in 0 minutes.

Directions

- Gather your test, but do not open it yet.
- Have a photo ID ready, clearly showing your name as shown above.
- Prepare to be uninterrupted for the next 20 minutes to complete this test.
- Note: If you leave during the test, or are otherwise unable complete the test it will be marked as Inconclusive. You may have to pay for another remote telehealth observation to remain in compliance.

When you are ready, please click "Start Test" to proceed. You will be connected to a remote telehealth provider via video. Make sure to enable your video and microphone.
